

THE GREYHOUND CHARCOTT

SUNDAY LUNCH MENU – 15 NOVEMBER 2020

(MUST BE PRE ORDERED PLEASE BY 1PM ON SATURDAY 14 NOVEMBER)

We had been struggling to decide whether to go down the takeaway Sunday roast route...but are flattered to find you are super keen to carry on enjoying Rich's roasts through this lockdown!

We have decided that rather than doing individual roasts we will offer fully cooked and ready to go takeaway roasts that you can order for the number of people you need. Everything will come ready for simply dishing up, so you can pop your plates in the oven and head to pick up, bonus will be no roasting tins for washing up!

This Sunday we will be cooking:

Garlic & Thyme Supreme of Roast Chicken, redcurrant jelly
12hr Slow Cooked Brisket of Roast Beef, horseradish sauce
Homemade Delicious Nutty Mushroom. Almond & Walnut Roast

All our roasts come with golden roast potatoes, honey roast parsnips and glazed carrots, creamy cauliflower cheese, slow braised red cabbage, fresh steamed seasonal greens, rich gravy and of course a Yorkshire pudding!

And this includes delicious homemade apple, pear & blackberry crumble too with custard to finish off which is gluten free.

All this for just £13 per person, what's not to love?!

Collection is between 12-2pm from the pub. Please order online by 1pm on our website on Saturday if you'd like to have something lovely to look forward to this Sunday!

Please let us know if you have any dietary requirements or allergies, at the point of ordering, our food is freshly made here in our kitchen, we are happy to adapt dishes and offer gluten free where possible when requested.
